### **INTERIM RESULTS ANNOUNCEMENT FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2016**

#### **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

*This announcement, for which the directors (the "Directors") of CL Group (Holdings) Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.*

## **FINANCIAL HIGHLIGHT**

- Recorded an unaudited turnover of approximately HK\$36.8 million for the six months ended 30 September 2016, representing an increase of approximately 10.1% over the same period of the previous year.
- Recorded an unaudited profit attributable to the owners of the Company of approximately HK\$21.0 million for the six months ended 30 September 2016. The rise in profit was primarily attributable to the increase in the placing and underwriting commission income and commission from securities advisory services total amounting to approximately HK\$3.4 million.
- Basic and diluted earnings per share for the six months ended 30 September 2016 were HK0.95 cents (2015: basic earnings per share of HK0.69 cents) and HK0.95 cents (2015: diluted earnings per share of HK0.69 cents) respectively.
- The Directors do not recommend the payment of an interim dividend for the six months ended 30 September 2016 (six months ended 30 September 2015: Nil).

The board of directors (the “Board”) of the Company is pleased to present the unaudited condensed consolidated results of the Company and its subsidiaries (collectively the “Group”) for the three months and six months ended 30 September 2016 together with comparative unaudited figures for the corresponding period in 2015, as follows:

# NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

## 1 Corporate information

The Company is incorporated in the Cayman Islands as an exempted company with limited liability. The Company's shares have been listed on the Growth Enterprise Market ("GEM") of The Stock Exchange of Hong Kong Limited (the "Stock Exchange").

The condensed consolidated financial statements are presented in Hong Kong dollars ("HK\$"), which is same as the functional currency of the Company.

The principal activities of the Company and its subsidiaries (collectively referred to as the "Group") are engaged in the provision of securities, futures and options broking and trading, margin and loan financing services, placing and underwriting services, securities advisory services and investment holding.

## 2 Basis of preparation and principal accounting policies

The unaudited condensed consolidated results have been prepared in accordance with accounting principles generally accepted in Hong Kong, Hong Kong Accounting Standards and Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and the disclosure requirements of the GEM Listing Rules. They have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value. It was authorised for issue on 8 November 2016.

The accounting policies and method of computation used in preparing the unaudited condensed consolidated results are consistent with those used in the audited financial statements for the year ended 31 March 2016 except in relation to the new and revised standards, amendments and interpretations ("new and revised HKFRSs") issued by the HKICPA that are adopted for the first time for the current period's financial statements. The adoption of these new and revised HKFRSs has had no material impact on the unaudited condensed consolidated financial statements. The unaudited condensed consolidated interim results have not been reviewed by the Company's auditor, but have been reviewed by the Company's audit committee.

The Group has not early adopted any new and revised HKFRSs that have been issued but are not yet effective.

This interim financial report contains condensed consolidated financial statements and selected explanatory notes. The notes include an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since 31 March 2016. The condensed consolidated financial statements and notes thereon do not include all of the information required for full set of financial statements prepared in accordance with the HKFRSs.

The interim financial report is unaudited. The financial information relating to the financial year ended 31 March 2016 that is included in the interim financial report as being previously reported information does not constitute the Company's statutory financial statements for the financial year but is derived from those financial statements. The statutory financial statements for the year ended 31 March 2016 are available from the Company's registered office. The auditor has expressed an unqualified opinion on those financial statements in their report dated 22 June 2016.

## 5 Business and geographical segments

Information reported to the Board, being the chief operating decision maker (“CODM”), for the purposes of resource allocation and assessment of segment performance focuses on types of services provided. In addition, for “Securities, futures and options brokering and trading” and “Placing and underwriting”, “Loan financing”, “Securities advisory service” and “investment holding” the information reported to the Board of Directors is further analysed based on the different classes of customers.

Specifically, the Group’s reportable segments under HKFRS 8 are as follow:

Securities, futures and options brokering and trading	Provision of securities and futures brokering services and margin financing
Placing and underwriting	Provision of placing and underwriting services
Loan financing	Provision of money lending services
Securities advisory services	Provision of securities advisory services
Investment holdings	Investment income and capital appreciation

The reportable segments have been identified on the basis of internal management reports prepared in accordance with accounting policies conforming to HKFRSs that are regularly reviewed by the executive directors of the Company being the CODM of the Group.

Segments profit represents profit earned by each segment without allocation of other revenue, central administration costs and finance costs. This is the basis of measurement reported to the CODM for the purposes of resource allocation and assessment of segment performance.

The market might still be volatile. The Group will leverage the knowledge and experience of our management team to seize opportunities as they arise. The Group will continue to put efforts on expanding the margin and loan financing business and securities advisory service and on satisfying the needs of our customers.

The Group aims to become a leading financial service group in Hong Kong. The Group will actively review future business opportunities to develop into various financial services in Hong Kong in anticipating to bring in new sources of income and to further increase the profitability of the Group.

## **RISK MANAGEMENT CREDIT RISK**

### **CREDIT RISK**

Credit risk exposure represents loans to customer, account receivables from brokers, clients and clearing houses which principally arise from our business activities. The Group has a credit policy in place and the credit risk is monitored on on-going basis.

For account receivables from clients, normally clients are required to settle the amount within 2 days (T+2). Responsible officers will regularly review the overdue balance. The credit risk arising from the account receivables from clients is considered as small.

For account receivables from margin clients, normally the Group obtains securities and/ or cash deposits as collateral for providing margin financing to clients. Receivables from margin clients are repayable on demand. Market conditions and the adequacy of collateral of each margin clients are monitored by responsible officers on a daily basis. Margin calls and forced liquidation are required when necessary.

For account receivables from brokers and clearing houses, the Group considered that credit risk is low as those brokers and clearing houses are registered with regulatory bodies.

In order to minimise the credit risk of loan receivables, the management of the Group has delegated a team responsible for determination of credit limits, credit approvals and other monitoring procedures to ensure that follow-up action is taken to recover overdue loan receivables, if any. In addition, the Group reviews the recoverable amount of each individual loan receivable at the end of the reporting period to ensure that adequate impairment losses are made for irrecoverable amounts. In this regard, the Directors of the Company consider that the Group's loan receivables credit risk is significantly reduced.

The Group does not provide any guarantees which would expose the Group to credit risk.

## **Liquidity Risk**

The Group is subject to the statutory liquidity requirements as prescribed by the regulators. The Group has a monitoring system to ensure that it maintains adequate liquid capital to fund its business commitments and to comply with the Securities and Futures (Financial Resources) Rules (Cap.571N).

The Group has maintained stand-by banking facilities to meet any contingency in its operations. The Board believes that the Group's working capital is adequate to meet its long and short term financial obligations.

## **Foreign Exchange Risk**

Certain assets of the Group's business are denominated in foreign currencies which expose the Group to foreign currency risk. The Group currently does not have a foreign currency hedging policy. However, the management monitors foreign exchange exposure and will consider hedging significant foreign currency exposure should the need arise.

## Share Option Scheme

The Company adopted the Share Option Scheme (the “Share Option Scheme”) on 22 February 2011, which was approved by the shareholders’ written resolutions, is valid and effective for a period of 10 years, the remaining life of the Share Option Scheme is 4 years. It is established to attract and retain the best available personnel, to provide additional incentive to employees (full-time and part-time), directors, consultants, advisers, distributors, contractors, suppliers, agents, customers, business partners and service providers of the Group and to promote the success of the business of the Group. Pursuant to the Share Option Scheme, the Board may, at its discretion and on such terms as it may think fit, offer to grant an option to any employee (full-time or part-time), director, consultant or adviser of the Group, or any substantial shareholder of the Group, or any distributor, contractor, supplier, agent, customer, business partner or service provider of the Group. An offer for the grant of share options must be accepted within 7 days inclusive of the day on which such offer was made. The amount payable by the grantee of an option to the Company on acceptance of the offer for the grant of an option is HK\$1.

At 30 September 2016, the total number of shares in respect of which share options may be granted under the Share Option Scheme is not permitted to exceed 110,000,000 shares, representing 5% of the total number of shares of the Company as at 30 September 2016.

Under the share option scheme, the Company may grant to directors (the “Directors”) and employees of the Group and any other persons who, in the sole discretion of the Board, have contributed or will contribute to the Group which options granted shall be immediately vested. The maximum number of shares to be issued upon exercise of all outstanding options granted and yet to be exercised under the share option scheme and any other share option scheme of the Company must not in aggregate exceed 30% of the total number of shares in issue from time to time.

The total number of shares which may be issued upon exercise of all options to be granted under the share option scheme and any other share option scheme of the Company must not in aggregate exceed 10% of the shares in issue at the date of the passing of the relevant ordinary resolution. If any option is to be granted to connected person(s), it must be approved by independent non-executive directors or independent shareholders as the case may be.

The total number of shares issued and which may fall to be issued upon exercise of the options granted under the Share Option Scheme to eligible participants in any 12 months period up to the date of grant shall not exceed 1% of the Shares in issue as the date of grant. Any further grant of options in excess of this 1% limit shall be subject to the approval of shareholders in a general meeting.

The subscription price of a Share in respect of any particular option granted under the Share Option Scheme shall not be less than the highest of: (i) the closing price of the Shares as stated in the Stock Exchange’s daily quotation sheets on the date of grant; (ii) the average of the closing prices of the Shares as stated in the Stock Exchange’s daily quotation sheets for the five trading days immediately preceding the date of grant; or (iii) the nominal value of a Share.

Pursuant to the bonus issue of shares of the Company was completed on 30 August 2016 as mentioned in note 15 above, the number of shares and the exercise price related to the share options granted on 9 April 2014 were adjusted accordingly to 100,000,000 shares and HK\$0.2275 respectively.

The total number of shares in respect of which share options granted under the Share Option Scheme at 30 September 2016 and not yet exercised was 100,000,000 which represented approximately 4.55% of the issued share capital of the Company at 30 September 2016.

At 30 September 2016, details of the share options granted under the Share Option Scheme are as follows:

Grantees	Date of Grant (dd/mm/yyyy)	Exercise price* per share HK\$	Exercisable period (dd/mm/yyyy)	Balance at 1 April 2016	Changes during the period			Adjustment on Bonus Issue	Balance at 30 September 2016

## **Fair value of share options and assumptions**

The fair value of share option granted at the grant date was HK\$8,275,000, which are calculated using the Black-Scholes model with the following inputs:

Date of grant	:	9 April 2014
Share price at the grant date	:	HK\$0.410
Exercise price*	:	HK\$0.2275
Expected volatility	:	55.019%
Expected life of option	:	9 years
Expected dividend yield	:	5.860%
Risk free rate	:	2.106%

The fair values of share options granted by the Company were determined by using Black-Scholes option pricing model (the “Model”). The Model is one of the commonly used models to estimate the fair value of an option. The variables and assumptions used in computing the fair value of the share options are based on the management’s best estimate. The value of an option varies with different variables of a number of subjective assumptions. Any change in the variables so adopted may materially affect the estimation of the fair value of an option.
